*For The Day of the Dead I am making
an altar for my grandfather.*

Para el Día de los Muertos estoy
haciendo un altar para mi abuelito.

1

First, I put his picture on top.

Primero, pongo su foto.

Then I put candles and flowers all around.

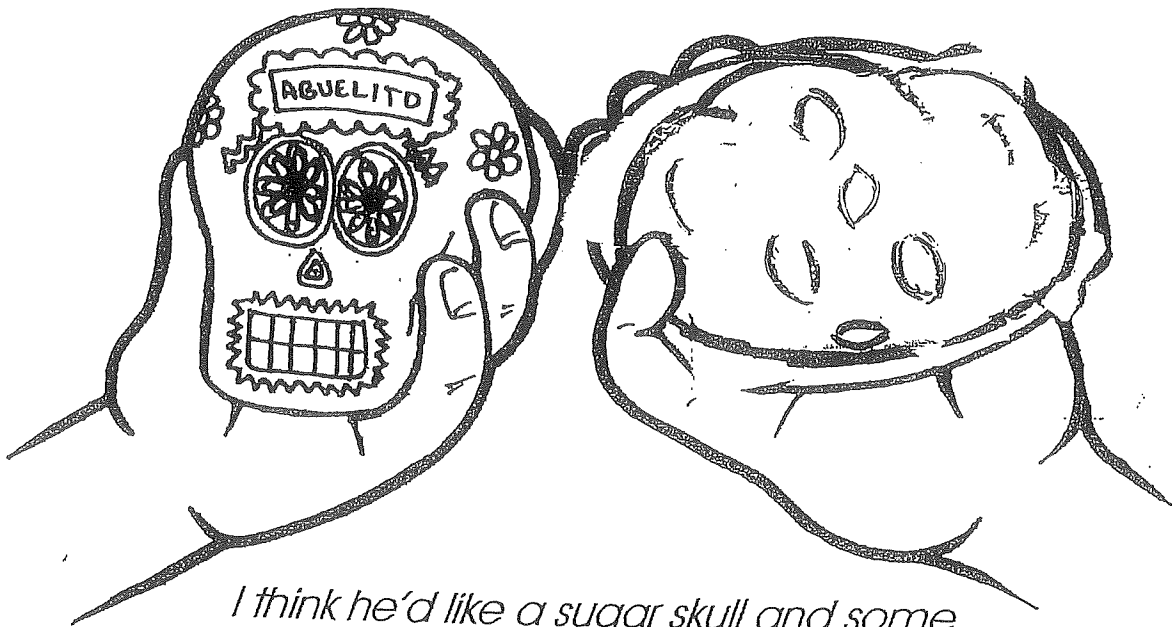

Luego pongo velas y flores alrededor.

Now I put out his favorite
foods. He loved all
kinds of fruits.

Ahora pongo sus
comidas favoritas.
Le encantaba
la fruta.

I think he'd like a sugar skull and some
Day of the Dead bread, too.

Creo que le gustaría una calavera de azúcar
y pan de muerto también.

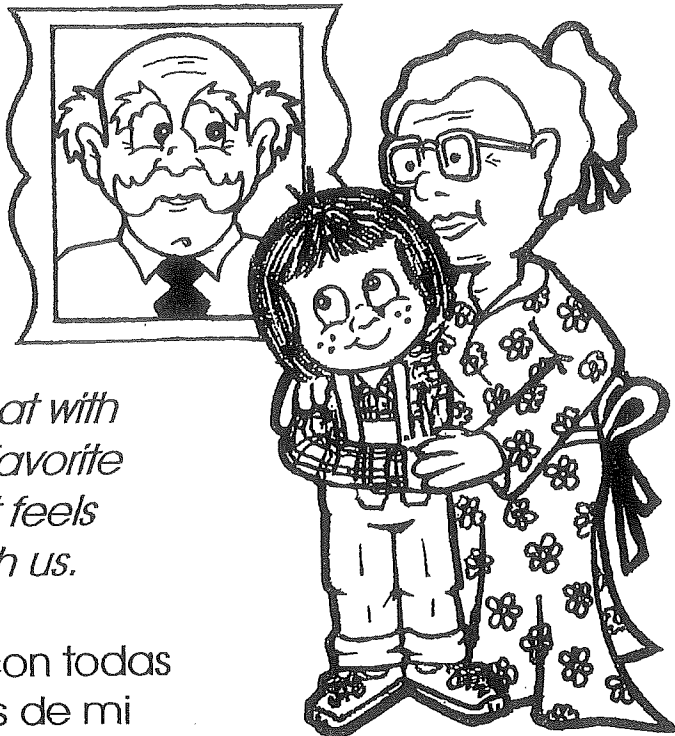

5

Finally, I put the toy he and I used to play with together. He bought it for my birthday last year right before he died.

Y por fin pongo el juguete que me compró para mi cumpleaños el año pasado antes de morirse.

6

Grandma says that with all of Grandpa's favorite things around, it feels like he is still with us.

Abuelita dice que con todas las cosas favoritas de mi abuelito, es como si estuviera con nosotros todavía.
